The 'Origins' and 'Ancient Channel' series of works emerged from a pre-occupation with the sea and the metaphors associated with it. The open spaces it provides allow a pictorial freedom to explore passages of emotional colour and thoughts, which become meditations on time, space and light.

The works are a concentrated residue of a journey. Imaginings, memory of place, the seen and the unseen provide a sequence of imagery developed and explored over many years.

The activity of painting is imbued, laced with mystery, arduous and demanding at times, but always profoundly uplifting. A spiritual home of sort.

Mae'r gyfres o weithiau 'Tarddiadau' a 'Sianel Hynafol' wedi dod o ddiddordeb yn y môr a'r trosiadau sy'n gysylltiedig ag ef. ae'r mannau agored y mae'n eu darparu yn caniatáu rhyddid darluniadol i archwilio llwybrau o liw a meddyliau emosiynol, sy'n dod yn fyfyrddau ar amser, gofod a goleuni.

Mae'r gweithiau'n weddillion crynodedig o daith. Dychmygion, cof am le, yr hyn a welwyd a'r anweledig, yn darparu dilyniant o ddelweddau a ddatblygwyd ac a archwiliwyd dros nifer o flynyddoedd.

Mae paentio wedi'i hydreiddio, ei frodio â dirgelwch, sy'n llafurus ac yn heriol ar adegau, ond bob amser yn codi calon. Cartref ysbrydol mewn rhyw ffordd.
